Dear Mr. Weisberg,

I havn't communicated with you in about 8 months. I have read your Whitewash I and II, your Photographic Whitewash, and your book Oswald in New Orleans. If you have written any other books, please let me know in the enclosed envelope.

I misplaced your new address, but I hope the Post Office has retained your new address on file some place.

Enclosed is a clipping which you may find amusing.

I remain

Sincerely
Glen Myers
